

Dear sir/ma'am,

I am Samarth,i am a **big ticket closer**.

I help businesses in turning their **leads into potential clients**.

I have worked in India as a freelance big ticket closer for 3 years in the field of real estate.

I know by now you might be getting tons of resumes for the job, but let me tell you why I am the perfect fit for the job.

1. I turn warm leads into potential clients without being salesy or pushy but with **finesse**.

2. I quickly **qualify prospects** and **get commitments** so you can get quick results.

3. In 3 years I have learnt more than what a traditional salesperson learns in 20 years of his experience,**In handling objections effectively** and persuading leads into potential clients.

And I do all this on a **purely commission basis**.

So if you think my **skills** can add value by **increasing your sales exponentially** then you can reach me at
